

About GSA JV

RCSI and NASH HARBOR have formed the GSA Joint Venture, combining their expertise to deliver innovative solutions to federal agencies. With NASH HARBOR's Alaskan Native 8(a) status and RCSI's SBA Certified 8(a) and EDWOSB credentials, they offer extensive experience in technology and management, providing practical, results-driven solutions to meet federal clients' unique needs.

Why GSA JV

- **Direct Awards Up to \$100M:** NHS can receive direct awards up to \$25M (government) and \$100M (DoD), bypassing SBA thresholds and Justification & Approval requirements.
- **No Protests:** NHS awards are exempt from protests, ensuring faster procurement.
- **No Procurement Competition:** No competition needed before direct awards to NHS, streamlining contract awards.
- **Faster Procurement:** Contracting officers can work directly with NHS to reduce procurement time.
- **Meet 8(a) & Small Business Goals:** Partnering with NHS helps fulfill 8(a) and small business goals.
- **Proven Performance:** NHS delivers 100% client satisfaction with proven expertise, responsiveness, and effective hiring practices

Who we are

- **RCSI Overview:** Established in 2011, RCSI is an SBA Certified 8(a) and EDWOSB based in Fairfax, VA, specializing in tailored solutions for federal clients built on trusted partnerships.
- **Commitment to Excellence:** RCSI focuses on exceeding client expectations with innovative solutions, long-term relationships, and continuous service improvement.
- **Nash Harbor Solutions Overview:** An Alaskan Native 8(a) firm, Nash Harbor delivers high-quality, practical solutions to federal agencies, representing the Cup'ig Eskimos of Nunivak Island.
- **Expertise and Innovation:** Both companies combine extensive industry knowledge and proven experience in technology and management to offer results-driven solutions.
- **Customer-Centric Approach:** Focused on operational excellence and customer satisfaction, we provide practical solutions that deliver value and meet client objectives.

Our Services

- Program and Project Management Consulting
- Professional Administrative Support Services
- IT and Business Consulting Services
- Business Intelligence & Data Warehousing
- Solution Development & Application Management
- Infrastructure and Cyber Security Management
- Section 508 Accessibility and Compliance
- Technical and Engineering Consulting

Past Performances

RCSI leads a prime contract with the Consumer Financial Protection Bureau (CFPB), enhancing Mobile Device, Applications, and Enterprise Mobile Management (MDM, MAM, EMM). The contract includes integration, engineering, O&M support, and the establishment of PMOs to align CFPB's IT strategy with its goals

RCSI is delivering Strategic Communications and Media Publishing tools for CBP, while also developing the Internal Affairs Business Application (CAPS) and supporting the Polygraph Case Management System (PCMS).

RCSI provides administrative and technical support for TSA's Operations Support Communications and Correspondence Teams (OS-CCE), using CMMI Level 3 and ITIL Best Practices for effective project management.
